

# Crandle Brandon

## **Work Experience:**

**Independent Advisor (Beausoleil, France):** trading futures (FDAX, EUR/USD, and GBP/USD mainly) for individuals on a short-term basis. Most positions settled on a daily basis with the average holding period measured in minutes. Trading decisions based on technical analysis, with some fundamental analysis as background(since september 2005)

**Bearing Consulting (Beausoleil, France): Founding Partner, Management Consultant:** development of the company's strategic goals and development. Specific projects included proposing and opening a sales office and launching a fund under Monaco regulations on behalf of a client(July 2004-September 2005)

**Personal Investment Management: Technology Stocks and Options.** Traded for my own account the stocks and options of a number of growing and volatile technology companies. (August 1997-July 2004)

**H.S.B.C. Midland Bank (London, United Kingdom): Trader Emerging Markets.** Developed the bank's Corporate Emerging Market Eurobond Portfolio as well as support services for that portfolio. Also developed markets for non-standard investment instruments, including syndicated loans, promissory notes, and Bankers Acceptances. In an attempt to arbitrage these instruments against standardized Emerging Market products. (Jan 1997-August 1997)

**Societe Generale (Paris, France & New York, USA): Eurobond Trader Emerging Markets.** Managed the bank's Emerging Market Eurobond Portfolio (Latin America, Eastern Europe, Asia), and quoting prices for a global Sales staff. Devised trading and swap strategies implemented by the bank's international clientele. Day to day duties included position reporting, P/L valuation, and risk management evaluation. Worked closely with the syndication desk on new issues dates.(May 1994-December 1996)

## **Education:**
